Admin. Asst. Sandy Meyer

Taylor Mill Police Department

Message from the City Administrator

Jill Cain Bailey

We are pleased to present to you the 2014 Annual Year End Report for the Taylor Mill Police Department (TMPD), which will provide you with a comprehensive overview of the operations of your local Police Department. It is our hope that this document will clearly outline for you how your tax dollars are hard at work protecting you and your personal property, and also provide you additional insight to better understand the challenges that the men and women who serve and protect our community face daily in the fulfillment of their duties. Internally, we utilize this report to assess and enhance the operations of our organization including the allocation of staff and resources.

During 2014, the City of Taylor Mill continued to be impacted by the reconstruction of KY16, also known as Pride Parkway, by the Commonwealth of Kentucky. This 60 million dollar major infrastructure improvement project was implemented in 2 phases within the Taylor Mill city limits. Phase 1, from I-275 to just past the secondary entrance to the Taylor Creek Subdivision, was fully constructed but only partially open for passage. Phase 2 of the construction project, from the entrance of Blackstone Drive to the south end of our city limits, remains ongoing and was also partially opened to the public on December 31, 2014. The connection and partial opening of Phase 1 and Phase 2 of the new main thoroughfare, while not complete, helped ease traffic flow through the community on existing roads that were more secondary in nature. Long term, this project redirects traffic patterns and provides for the development of a more defined business district allowing properties to develop into mixed use retail and office space. This planned development area is branded as the Districts of Taylor Mill.

The Districts of Taylor Mill, in November of 2014, officially welcomed The Holland/Rosen Restaurant Group who opened a 35,000 square foot multi-story retail/office facility located in the heart of Taylor Mill's Business District. This new facility is the home of LaRosa's, Graeter's Ice Cream, Skyline Chili, currently. We expect in 2015 to also welcome The Holland/Rosen Restaurant Group's Corporate Headquarters and Golf Exchange. Located on the second floor of this same building, is additional square footage that lends itself to further commercial business opportunities. The aforementioned space is currently available for lease.

The demand for increased service and staffing as a result of these changes are yet to be fully realized. The Taylor Mill City Commission along with members of management staff continually strive towards assessing the evolving situation and preparing for changes in the future. It remains our goal to provide the best services as economically as possible in order to protect the property and enhance the quality of life for those who live, work and play within our community. Public Safety is an essential element to all that we do.

Congratulations to Chief Steve Knauf and all of the TMPD staff for continuing to excel and continually exceed expectations in the operations of the Taylor Mill Police Department. To our residents, please do not hesitate to call upon us in the event we can be of assistance. We look forward to serving you. Thank you.

Sincerely,

Jill Cain Bailey, CAO
City of Taylor Mill

Taylor Mill Police Department

MESSAGE FROM THE CHIEF

Welcome to the 2014 Year End Report for the Taylor Mill Police Department. I hope the information compiled in this body of work will provide you with insight into the operation of your police department, over the course of the past twelve months, as well as offering a snap-shot of the men and women who protect and serve your community.

The year 2014 found some noteworthy achievements for the police department. Sergeant Karen Spanyer graduated from the Criminal Justice Executive Development Program Class XVII, at the Department of Criminal Justice Training in Richmond, Kentucky. This five week course provides managers with contemporary theories, management techniques, and leadership skills enabling them to perform more effectively and efficiently in their position. The course prepares the leaders of today for the challenges they will face in the future. Moreover, Taylor Mill Police Sergeant Patrick Reis, was one of two hundred and fifteen law officers to graduate from the prestigious FBI National Academy Program at Quantico, Virginia in December of 2014. The 258th Session of the National Academy consisted of men and women from 49 states. Included in the class are members of law enforcement agencies from the District of Columbia, 26 international countries, three military organizations, and four federal civilian organizations. Sergeant Reis is only the fourth Taylor Mill Officer in the history of the department to attend the FBINA. Additionally, Officer Michael Lyon was bestowed both the "Governor's Impaired Driving Enforcement Award and the Governor's Occupant Protection Enforcement Award for 2014. Officer Lyon excels in this area, where his enforcement effort is intended to save lives through DUI apprehension, increased safety belt, child restraint and booster seat restraint usage. Last but not least, the department hired Police Recruit Danny Potts, who graduated from police basic training on February 21, 2014. Officer Potts has since successfully completed his probationary period, and has become a key asset to our team and the community he serves.

We, of course, are committed to enhancing community safety whenever possible; however, at the same time we strive to keep an eye towards fiscal conservatism. Thus, we are constantly on the lookout to make application for law enforcement grants when funding opportunities arise. Case in point, Officer James Mills successfully applied for, and received over \$23,000.00 in various grants this year, used to acquire equipment and to support additional patrols of our community.

During 2014, we observed the partial opening of Pride Parkway, facilitating the Taylor Mill City Commission to purchase a radar data recorder system for use by the police department. The recorder captures vehicle speed, while keeping track of traffic volumes for up to several weeks at a time. The unit can produce a report that concisely displays whether or not a speeding problem exists, based on the percentage of enforceable violations. The radar recorder data will be used to devise/implement interventions and/or enforcement tactics to ensure our city thoroughfares are as safe as possible.

Sincerely,

Steve Knauf
Chief of Police

Taylor Mill Police Department

MISSION STATEMENT

*The Mission of the Taylor Mill Police Department is to:
Protect and Serve our customers,
While we strive to do the right thing,
To do our best,
And to treat others as we would like to be treated*

VALUES STATEMENT

We value human life and personal dignity.

We value personal and professional integrity as the basis for community trust.

We value fair and impartial enforcement of all laws.

We value professional excellence and customer service.

We value all members of the Taylor Mill Police Department, both sworn and unsworn.

Taylor Mill Police Department

Taylor Mill Police Department is Internationally Accredited by
Commission on Accreditation for Law Enforcement Agencies

November 2010

November 2013

Taylor Mill Police Department is State Accredited by
Kentucky Association of Chiefs of Police

March 2002

March 2007

March 2012

Taylor Mill Police Department

Kentucky Association of Chiefs of Police Law Enforcement Accreditation Program

The K.A.C.P. Accreditation program is a progressive and time-proven way of helping institutions evaluate and improve their overall performance. The cornerstone of this strategy lies in the promulgation of standards containing a clear statement of professional objectives. Participating administrators then conduct a thorough analysis to determine how existing operations can be adapted to meet these objectives. When the procedures are in place, a team of independent professionals is assigned to verify that all applicable standards have been successfully implemented. The process culminates with a decision by an authoritative body that the institution is worthy of accreditation.

The Kentucky Association of Chiefs of Police Law Enforcement Accreditation program is one of the most valuable and cost effective ways currently available to departments that wish to enhance overall agency effectiveness and professionalism. Accredited departments benefit from the use of consistent and proven procedures, clearly outlined policies, and efficient practices. In addition, accreditation serves to create a feeling of confidence among your residents that their police/sheriff department recognizes the importance of establishing and maintaining as high a degree of effectiveness and professionalism as possible.

The Kentucky Association of Chiefs of Police mandate police departments go through the rigors of accreditation every five years. The Taylor Mill Police Department underwent an onsite assessment of our agency operations and policies in the spring of 2012. Upon conclusion of the inspection, our agency was re-accredited for the third time in our history, where our state accreditation status will continue through the year 2017.

Taylor Mill Police Department

Commission on Accreditation for Law Enforcement Agencies

The Commission on Accreditation for Law Enforcement Agencies, Inc., (CALEA®) was created in 1979 as a credentialing authority through the joint efforts of law enforcement's major executive associations: International Association of Chiefs of Police (IACP); National Organizations of Black Law Enforcement Executives (NOBLE); National Sheriffs' Association (NSA); and the Police Executive Research Forum (PERF). CALEA's purpose was to establish a body of professional standards and to develop an accreditation process to administer its initial credentialing program. The Law Enforcement Accreditation Program was the first credentialing program established by CALEA after its founding. It was originally developed to address what was seen as a need to enhance law enforcement as a profession and to improve law enforcement services. That mission continues today. The program is open to all types of law enforcement agencies, on an international basis. It provides a process to systematically conduct an internal review and assessment of the agencies' policies and procedures, and make adjustments wherever necessary to meet a body of internationally accepted standards.

Since the first CALEA Accreditation Award was granted in 1984, the program has become the primary method for an agency to voluntarily demonstrate their commitment to excellence in law enforcement. The standards upon which the Law Enforcement Accreditation Program is based, reflects the current thinking and experience of law enforcement practitioners and researchers. Major law enforcement associations, leading educational and training institutions, governmental agencies, as well as law enforcement executives internationally, acknowledge CALEA's *Standards for Law Enforcement Agencies*® and its Accreditation Program as benchmarks for today's law enforcement agency.

The Taylor Mill Police Department received our initial accreditation award on November 10, 2010. The year 2013 marked the second time in our agency's history to undergo an onsite assessment by a CALEA Assessment Team. These officials scrutinized TMPD operations during the week of December 7, 2013. In March 2014, the full Board of Commissioners, during the Spring CALEA Conference bestowed re-accreditation status upon TMPD for another three year period. TMPD will continue to maintain our distinguished status, alongside of the Lexington Police Department, as one of only two CALEA accredited agencies in the state of Kentucky. Moreover, we are very proud of the fact, that with a police department comprised of only 11 full-time sworn officers, and one full-time police clerk, we are one of the smallest law enforcement agencies in the world to attain international accreditation, through CALEA. Our agency is the first, and only small agency in Kentucky to become CALEA accredited. CALEA defines a small agency as one with a staff of 25 or less. Additionally, we are the sole small police department in Kentucky to be accredited by both CALEA and the Kentucky Association of Chiefs of Police.

Taylor Mill Police Department

Chief Steve Knauf

Steven A. Knauf is a thirty-two year veteran of the Kenton County Criminal Justice field, holding a diverse range of positions in the Justice system. He has served twenty-six years with the Division of Police in Taylor Mill, and is one of the longest serving Police Chiefs in Kentucky, where he was appointed to his current position in 1993.

A graduate of Northern Kentucky University, he holds an Associate Degree in Law Enforcement, and a Bachelor of Arts Degree in Justice Studies. In 1998 he was chosen by the FBI to attend the FBI National Academy in Quantico, Virginia, graduating with the 195th Session, and earned a certificate in Criminal Justice and certified as a Law Enforcement Physical Fitness Instructor and Domestic Violence Instructor. Moreover, he attended graduate school at the University of Cincinnati, where he was awarded the degree of Master of Science in Criminal Justice in 2005.

His Criminal Justice career experience ranges from service with the Kenton County Sheriff's Office, the Kenton County Detention Center, as well as with the Covington and Taylor Mill Police Departments. He has extensive experience in investigative and supervisory assignments in criminal investigation (death, drug enforcement, special investigations, sex crimes, robbery, burglary, and crimes against children), police administration, critical incident management and sexual harassment. He has received numerous commendations and letters of recognition over the years for his work and service in the field of Criminal Justice.

During his tenure as Police Chief the department has been three times accredited by the Kentucky Association of Chiefs of Police, The Neighborhood Emergency Assistance Team was created and received the award for "The Best Crime Prevention Program in Kentucky" 2005, and the agency's "Because We Care Program" was bestowed the President's Award of Excellence by the Kentucky League of Cities. In July 2006, he authored an article about the department's NEAT program that was published internationally in "The Police Chief" magazine. Moreover, he coordinated and oversaw a complete renovation of police headquarters, in order to come into compliance with State accreditation standards and lead the department's effort toward achieving international accreditation through the Commission on Accreditation for Law Enforcement Agencies (CALEA), where the department received its initial award on November 20, 2010.

Chief Knauf is the past President of the Kenton County Police Chief's Association as well as previously serving as the President of both the Northern Kentucky Police Chief's Association and the Kenton County Animal Authority Board. Chief Knauf is a past recipient of the Public Service Recognition Award from the City of Cincinnati, in the category of Northern Kentucky Public Sector Employee Award. Moreover, the Northern Kentucky Area Development District recognized him as a past Outstanding Police Chief in Northern Kentucky. In the year 2008, Chief Knauf was one of nine nominees in the state to be considered for the Governor's Award for Outstanding Contribution to Kentucky Law Enforcement. Additionally, Chief Knauf is a member of the Kenton County Emergency Communications Board. In 2014, the Greater Cincinnati Chapter of American Society for Public Administration (ASPA) recognized Chief Knauf at their Public Administrator of the Year Award Banquet in the category of "Program Excellence".

Taylor Mill Police Department

Lieutenant Ron Wilson

Lieutenant Ron Wilson has been in the criminal justice field for more than thirty two years. He began his career with the City of Taylor Mill in March of 1992. Lt. Wilson served with the Kenton County Detention Center for more than 9 years prior to joining our department. Lt. Wilson has graduated through the ranks and was appointed to the position of Lieutenant in 2004. He has gained extensive experience in investigative and supervisory assignments and assists the Police Chief in overseeing day-to-day operations of the department. Lt. Wilson is a graduate of the Department of Criminal Justice Training, "Criminal Justice Executive Development" program in 2004. He was also instrumental in attaining the agency's initial and subsequent five year Certificates of Accreditation through the State of Kentucky; he also authored and implemented a complete revision of the department's Policy and Procedure manuals. In 2007, Lt. Wilson was assigned the position of Accreditation Manager for the "Commission on Accreditation for Law Enforcement Agencies" program. Under his direction, the agency successfully achieved international accreditation on November 20, 2010 and re-accreditation in 2013. During his tenure with the police department, he has championed and supervised many of the department's Community Policing programs, becoming the agency's first D.A.R.E. officer and was instrumental in revitalizing the agency's Neighborhood Block Watch Program. He also initiated and authored the award winning Neighborhood Emergency Assistance Team program (N.E.A.T.) and received the 2005 Crime Prevention Officer of the Year Award from the Kentucky Crime Prevention Coalition. Lt. Wilson has 3 children and 3 grandchildren, in his spare time he assists with organizing and coaching youth baseball with the Hut Athletic Club and enjoys spending time with his family.

Taylor Mill Police Department

Sergeant Patrick Reis

Sergeant Patrick Reis has been a police officer for twenty one years. Sergeant Reis was commissioned to the rank of Sergeant in 2009, and has extensive training in Criminal Investigations. Sergeant Reis was a graduate of the Academy of Police Supervision in 2008, and is also a graduate from the National Intelligence Academy in Covert Video Surveillance Installations. Sgt. Reis also received the Career Development Certificate through the Department of Criminal Justice Training for Investigators with training in Crime Scene Investigations, Computer Crimes and Computer Crimes against Children, Narcotics Investigations and Advanced Narcotics Investigations. Sgt. Reis is in charge of the departmental training, and is the firearms and non-lethal weapons instructor. Sgt. Reis has previously received the “Governors Award for DUI arrests” the first nine years with the police department and also the Robert A. Shields Memorial “Outstanding Police Officer of the Year” Award in 2003. Sgt. Reis worked several years in the administrative section where he authored and managed numerous state, federal and private grants; he also developed and managed the police department’s Narcotics Enforcement Program. In 2014, Sergeant Reis was chosen by the FBI to attend the FBI National Academy in Quantico, Virginia, graduating with the 258th Session, and earned a certificate in Criminal Justice. Sgt. Reis became only the fourth member in department history to earn this prestigious certificate. Sgt. Reis is married with two children and in his spare time enjoys coaching football and spending time with his family.

Taylor Mill Police Department

Sergeant Karen Spanyer

Sergeant Karen Spanyer is a United States Air Force veteran. She began her law enforcement career in 1991, and has been employed with Taylor Mill Police Department for over fifteen years. Sergeant Spanyer has specialized training and experience in a variety of areas. These include Field Training Officer, Taser Instructor, Clandestine Laboratory Safety, Marijuana Identification and Testing, Hostage Negotiations, Narcotics Investigations, Criminal Investigations, and Property Room Management. Sergeant Spanyer played a key role in the development and supervision of the department's property room, and insured that evidence and property room policies and procedures met both CALEA and State of Kentucky accreditation standards. She was promoted to the rank of Sergeant in December 2009, and has the distinction of being Taylor Mill Police Department's first female supervisor. Sergeant Spanyer is a graduate of the Criminal Justice Executive Development Program in Richmond Kentucky. Sergeant Spanyer is married and has two grandchildren. She enjoys working out, reading, gardening, and spending time with her family.

Taylor Mill Police Department

Specialist Tim Bailey

Specialist Tim Bailey has been a police officer for eighteen years. Officer Bailey began his career with the City of Taylor Mill in March of 1997, and was promoted to the rank of Specialist in 2012. Specialist Bailey came to the Taylor Mill Police Department with four years of experience from the Kenton County Police Department Reserves Unit. He is certified through the Kentucky State Police Forensic Laboratory in Marijuana Identification and is one of two officers assigned to manage the police department's evidence room. Officer Bailey has focused his career toward patrol and community relations and has taken over the title as Fleet Manager. In 2012, Specialist Bailey was instrumental in obtaining a military Humvee through the Department of Defense LESO 1033 program, for use in the Police Department during special events, parades, mutual aid, disasters, and inclement weather. Specialist Bailey received the Robert A. Shields Memorial "Outstanding Police Officer of the Year" Award in 1999. Specialist Bailey is married with 3 children and 3 grandchildren. In his spare time he enjoys spending time with his family, vacationing, working in the yard and collecting sports memorabilia.

Taylor Mill Police Department

Officer Ken Honchell

Officer Ken Honchell has been a police officer for fifteen years. Officer Honchell began his career with the City of Taylor Mill in July of 2006. He came to the Taylor Mill Police Department with eight years of experience from Transylvania University Police Department, Park Hills Police Department and Northern Kentucky University Police Department. Officer Honchell has specialized in Patrol, Public Relations and enjoys investigating criminal cases. He is a member of the Northern Kentucky Arson Task Force as a Crime Scene Investigator. Officer Honchell was the recipient of the 2007 Governor's Award for DUI arrests. Officer Honchell has four children and in his spare time enjoys spending time with his family.

Officer Mike Lyon

Officer Lyon began his career with the Cynthiana Police Department in March of 2010 where he served as a Police Officer until September of 2011 when he joined the City of Taylor Mill. Officer Lyon enjoys meeting the residents of the city whenever possible and assisting with the Police Explorer Program. Officer Lyons received the Governor's Award for Outstanding Achievement in DUI Enforcement in 2013 & 2014 and the Governor's Occupant Protection Enforcement Award for 2012, 2013 & 2014. Officer Lyon has been a resident of the city of Taylor Mill since his childhood and calls it his home. Officer Lyon in his spare time enjoys detailing cars, hunting, fishing, and watching college basketball and football games.

Taylor Mill Police Department

Officer Heather Mitchell

Officer Heather Mitchell has been a police officer in Kentucky for fifteen years. Officer Mitchell began her career in Henderson, KY before moving on to Butler, KY for just over one and a half years. In August of 2000, Officer Mitchell found a home in Taylor Mill and has been here ever since. Officer Mitchell is currently the School Resource Officer at Scott High School and assists with the Police Explorer program. Officer Mitchell is married with 2 children and in her spare time, she enjoys spending time with her family.

Officer Daniel Potts

Officer Potts began his career in law enforcement with the Taylor Mill Police Department in September of 2013. He is graduated of Eastern Kentucky University with a Bachelor's Degree in Psychology and Criminal Justice. Officer Potts specifically sought out to work with the Taylor Mill Police Department because of their National CALEA and state KACP accreditation. Officer Potts is married and in his spare time he enjoys umpiring baseball games and volunteering with the Special Olympics.

Taylor Mill Police Department

Officer Cyrus Harris

Officer Harris has been a police officer in Kentucky for seven years. Officer Harris served 3 years as a federal law enforcement officer with the Federal Reserve Police. He was promoted to Corporal and was a tactical firearms instructor. Officer Harris served three years with the Kentucky State Police Vehicle Enforcement Division where his primary focus was on driver safety, commercial vehicles, and drug interdiction on Kentucky highways. Officer Harris joined Taylor Mill Police in November of 2012 after spending two years with the Park Hills Police Department. Officer Harris is a veteran of the US Army 82nd Airborne Division and has an Associate's Degree in Law Enforcement Technology. He is married with three children and enjoys weightlifting in his spare time.

Officer James Mills

Officer James Mills has been a police officer for nine years. Officer Mills began his career with the City of Taylor Mill in November of 2009. He came to our agency with four years of experience from the Dalton, Georgia Police Department and one year with the Northern Kentucky University Police Department. Officer Mills is a certified International Police Mountain Biking Officer and Police Training Officer. Officer Mills became the department's first Accident Reconstructionist in 2014, and is the department's Advisor to the Explorer Program. Officer Mills has authored and supervised multiple grants for the police department for the purchase of equipment and special project overtime of the officers. Officer Mills is married and has one son. In his free time he enjoys traveling and spending time with his family and friends.

Taylor Mill Police Department

Admin. Assist. Sandy Meyer

Police Administrative Assistant Sandy Meyer has been with the department since 1998. She is the office manager of the department, the direct assistant to the Chief of Police, where she is responsible for a wide range of important duties. Sandy oversees the PD records management system, provides support to police officers and assists both internal and external customers. Sandy has two adult children and this year welcomed their second grandchild. She and her husband live in the Taylor Mill community.

Taylor Mill Police Department

2014

RECOGNITION PAGE

The Taylor Mill Police Department promotes and administers an awards and commendations program designed to acknowledge personnel and citizens and other law enforcement officials who have performed outstanding acts worthy of recognition. Officer Mike Lyon was the recipient of two awards this past year, also Sgt. Patrick Reis and Sgt. Karen Spanyer each received one award.

Officer Lyon won the Governor's Occupant Protection Award in recognition of efforts to increase seatbelt and child seat use. The ceremony, held at the Marriot in downtown Louisville on August 5, 2014, recognized 140 law enforcement officers from 123 agencies across the state. Officers with the most Occupant Protection citations in each agency won awards, and Michael issued 109 seatbelt and child restraint citations.

Officer Mike Lyon was also bestowed the "Governor's Impaired Driving Enforcement Award". The Governor of Kentucky recognizes police officers from across the state each December, who leads their respective agencies in the apprehensions of impaired drivers. Officer Lyon's due diligence in this area of law enforcement has gone a long way to enhance the safety of our city streets, where his effort and determination have removed many impaired drivers from our local roadways

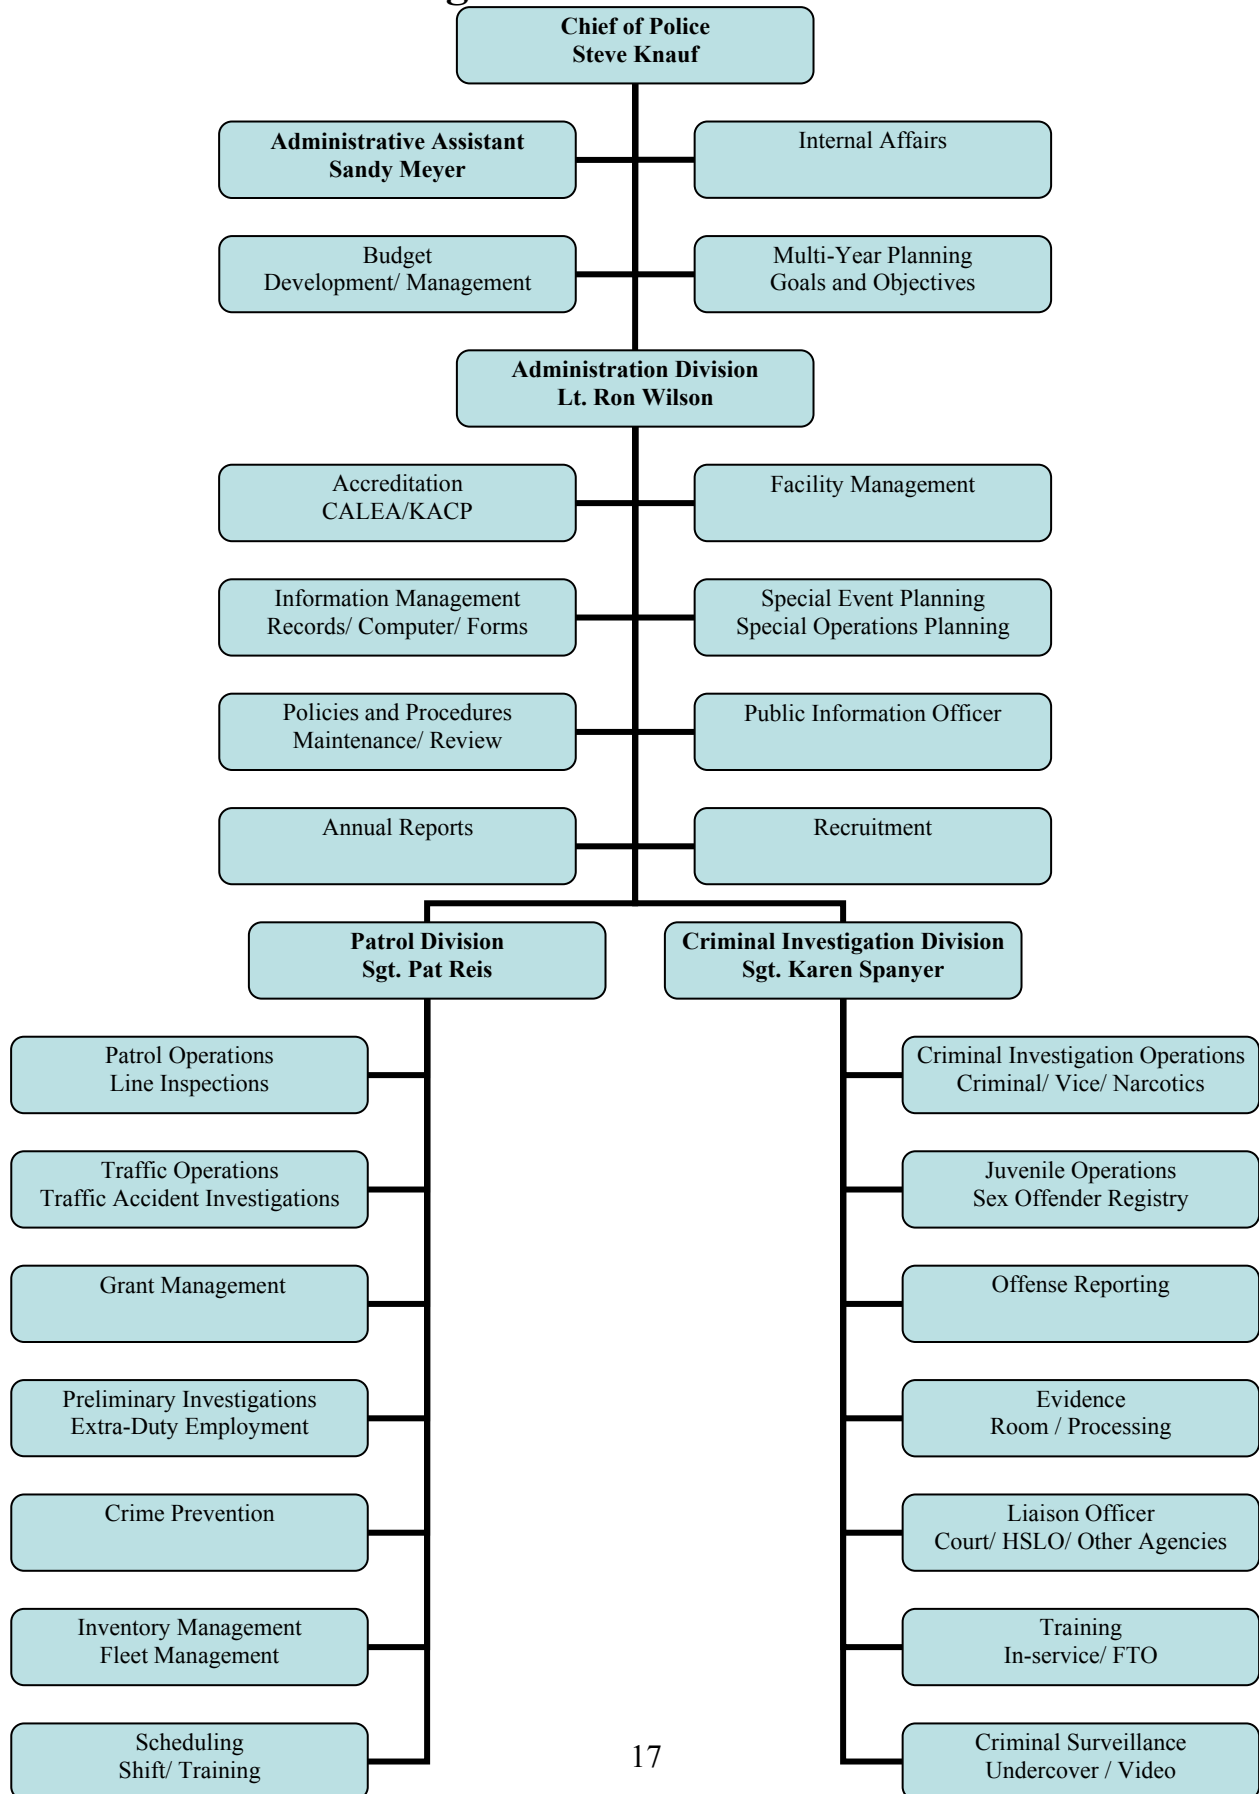

Sergeant Karen Spanyer was one of the twenty law enforcement executives from agencies across Kentucky that graduated from the Criminal Justice Executive Development program, an advanced leadership course designed for supervisors at the state's small and medium-size agencies. The graduation ceremony for CJED Class XVI was held at the Department of Criminal Justice in Richmond, Kentucky, in March of 2014. Sergeant Karen Spanyer joins Lt. Wilson as the second person in TMPD history to have graduated from this prestigious management academy.

Sergeant Patrick Reis was recently one of two hundred and fifteen law officers to graduate from the FBI National Academy Program at Quantico, Virginia. The 258th Session of the National Academy consisted of men and women from 49 states. Included in the class are members of law enforcement agencies from the District of Columbia, 26 international countries, three military organizations, and four federal civilian organizations. Sergeant Reis is only the fourth Taylor Mill Officer in the history of the department to attend the FBINA.

2014 Community Events

The Taylor Mill Police Department partners with our community on a regular basis. Through various events, police officers, NEAT members, and citizens become better acquainted and established long-lasting relationships. As Taylor Mill grows and these events increase, so will the role of the department. Below are some of the events in which the police department participated.

Taylor Mill Park Fest

Park Fest is in September and is held at the city's Pride Park. During this one-day event, the police department provides public safety services. Our NEAT team and Explorer's group also provides assistance to the department, teaming up with an officer in conducting traffic control and foot patrol. At the peak of festivities, thousands of people are in attendance to view the fireworks display.

Scott High School Homecoming Parade

This annual event in the fall, tips off the high school football season. The police department provides public safety services which consists of mainly blocking off streets along the parade route. The parade staging and starting area is in the Mill Valley subdivision. The parade travels south on Taylor Mill Road to the south end of Old Taylor Mill Road. The parade then turns right onto Old Taylor Mill Road, heading northbound. It proceeds to the entrance of Scott High School, ending in the rear lot.

Seniors Group

This group formed through the Recreation Department has partnered with the police to become informed on issues involving theft, scams, fraud, personal safety, and terrorism. The police department has instructed the group on an average of once every two to three months throughout the year.

Scott High School Events

Scott High School calls on the Taylor Mill Police Department to provide public safety service for football, basketball and sometimes soccer games. Two officers are required for football games, one officers for basketball and soccer games. There are also two dances a school year; Homecoming Dance and the French Club Dance. Both events require 2-4 officers for public safety, depending on the amount of chaperones on hand.

Taylor Mill Police Department

2014 COMMUNITY PROGRAMS

Taylor Mill Police Officers take pride in the professional community relations that we share with our customers. The relationship is strengthened through joint training with TMPD officers, citizens and business owners. Five main programs are used to outreach/train citizen partners:

- 1. Neighborhood Block Watch** - These meetings provide communities within the city a better understanding of how to actively play a role in crime prevention in their area. Training tools such as videos and lectures are key ingredients in establishing strong Block Watch Programs throughout the city. The meetings may be held at the police headquarters, community center or at one of the Block Watch resident's home.
- 2. Business Block Watch** - The purpose of a Business Block Watch specifies training in business related crimes such as theft, employee crime, identity theft, and credit card fraud. Explaining to business owners and managers the best way to assist the police in business crime brings everyone together to focus on solving the crimes as quickly and precisely as possible.
- 3. Ride-A-Long Program** - A very popular form of training for citizens, the Ride-A-Long program provides a close look at police related events. The citizen rides with the officer in the police unit and is able to view traffic stops, domestic calls, thefts, report writing, etc. This gives the person an "up close and personal" perspective into police related incidents and the dynamics involved in each and every dispatched call.
- 4. Explorer Post** – Exploring is a unique career exploration program for young men and women ages 14-20. It provides students with an opportunity to learn about a wide variety of career fields and network with professionals already working in those fields. The Taylor Mill Police Department started its post in 2011 and currently has 10 active members with the hopes of expanding the program in the future. The Explorer Program is a division of the Boy Scouts of America. Members meet twice a month and will assist the police department at community events as well as attend competitions.
- 5. Facebook** - A profile site was also created on the social network site "Facebook". It is apparent that our residents use this feature and we have received positive feedback from the community. Topics included have been traffic information, crime prevention tips, holiday safety and Homeland Security updates plus many other interesting subject matter. NEIGHBORHOOD EMERGENCY ASSISTANCE TEAM

Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has. Margaret Mead

The Neighborhood Emergency Assistance Team (NEAT) was created by the Taylor Mill Police Department in 2005 and was awarded the Kentucky Crime Prevention Coalition's "Outstanding Crime Prevention Project" for 2005. The program trains Taylor Mill citizens to aid the police in small scale incidents (i.e. auto accidents) and large scale incidents (lost children/elderly subjects or major disasters). The volunteers attend a seven week basic course which provides them with the psychological and physical skills necessary to assist the police in a crisis situation. Areas of training in the N.E.A.T. program include: Disaster Preparedness and Critical Incident Management, Search and Rescue, Event Planning, CPR and First Aid, Traffic Control, Observation Skills, Communication, Interview Techniques, and Leadership, among other topics.

All the training is not focused on crisis intervention. Many less stressful areas such as Speed Enforcement Data Collection, Command Post Operations, Communication, and Event Coordination are examples of low risk incident training. N.E.A.T. members also assist in City recreational functions such as: Friday Night Flicks, Easter egg hunts, parades, and Park Fest.

There are currently 15 N.E.A.T. members. These men and women are from a wide variety of professions and bring their own valuable strengths and expertise to the program. N.E.A.T. volunteers are dedicated people who believe that providing safety for the community begins with the men and women of that community. They are a true testimony to what has been referred to as "America's primary crime fighters" the local citizen.

In 2014, members of N.E.A.T participated in helping out with Dances, Homecoming Parade, Park Fest, Friday Night Flicks, and other activities that assisted the police department. Members help direct traffic, patrol with an officer, and are the "eyes" to our community when an officer is unavailable.

All members of N.E.A.T provide a value-added level of support to our agency and also to our community and we thank them for their time, dedication and service.

Police Explorers Program Post #2522

Law Enforcement Exploring is a worksite-based program for young men and women who have completed the ninth grade and are between 14 - 21 years of age. Our post is in its full fourth year and we currently have 10 youth.

The Explorer program help youths gain insight into a variety of programs that offer hands-on career activities. For young men and women who are interested in careers in the field of law enforcement, Explorers offers experiential learning with lots of fun-filled, hands-on activities that promote the growth and development of adolescent youths.

The Taylor Mill Police Explorer Program meets twice a month for training. A few of the topics that Explorers are trained in are:

- Crime Scene Search / Investigation
- Bomb Threat Response
- Building Entry and Search Techniques
- Accident Investigation
- Domestic Crisis Intervention
- Hostage Negotiation
- Traffic Stops
- Defensive Tactics/ Arrest Techniques

All Explorers that join, may participate in the Ride-Along Program with Taylor Mill Police Officers after a six-month probationary period, are 16 years of age and have passed all required tests. During a ride-along, Explorers will see first-hand what an officer's daily duties are. Explorers will see what happens on the street and assist officers with tasks such as paperwork, computer operations, and radio operation.

Explorers may also aid in investigations, crime scenes, and with traffic and crowd control in certain situations, with the necessary training. Explorers will also compete in local, regional, state and national competitions.

Taylor Mill Police Department

2014 Significant Investigated Cases

In 2014, the Taylor Mill Police Department opened 672 cases. Of the 672 cases opened, 95 were felonies, and 263 were misdemeanors. The majority of felony cases opened were assault, and theft related cases involving multiple suspects. The following are some of the more significant cases worked in 2014 or are still ongoing into 2015. **All suspects are presumed innocent until proven guilty in a court of law.**

2014-3484 On 4/7/2014, officers were dispatched to 723 Sharon Drive Apt 116. Dispatch advised that a male suspect had kicked in the door of the apartment and he could be heard saying, "I'm going to kill you". When officers arrived they located the victim lying on the floor of the apartment, crying. She advised that her ex-boyfriend, William Sanders, had kicked in the door of her apartment, dragged her around the apartment, and threatened to kill her. Sanders, who had fled the area prior to police arrival, was located at his mother's residence in

Covington the next day. After making a statement and claiming that it was all a misunderstanding, he was taken into custody for Burglary 1st Degree and Unlawful Imprisonment 1st Degree. He pled guilty to Assault 4th Degree Domestic Violence w/Minor Injury, and Criminal Trespass 1st Degree. The Burglary and Unlawful Imprisonment charges were merged. Sanders was ordered to serve 365 days in jail with 275 days conditionally discharged. He was ordered into the Home Incarceration Program with a curfew for 90 days. If he violates the conditions of his probation, he will serve two years in jail.

2014-3535 On 4/8/2014, officers responded to 721 Sharon Drive, Apt 130, for an assault with injuries. When officers arrived, they made contact with a very intoxicated Ken Brummer, claiming he had been pushed down the stairs. While officers were talking to Brummer, two females appeared in the hallway screaming that Brummer had set their apartment on fire and then locked the door, and they could not get in. Officers forced entry into the apartment and determined that it was indeed on fire. There were visible flames and black smoke had begun to

permeate the building. Brummer was taken into custody and the building was evacuated. Officer Harris was overcome by smoke while assisting in the building evacuation. He was administered oxygen at the scene, and was then transported to the hospital for further treatment for smoke inhalation. The Fire Department extinguished the blaze and it was apparent that there were three points of origin for the fire. The Arson Task Force was called to the scene for further investigation. The person to whom the apartment is leased, advised that she and Brummer had gotten into an argument over gas money, Brummer threatened to

kill her, and then he set the apartment on fire. Brummer was advised of his rights and he refused to make a statement and requested an attorney. He was arrested for Arson 1st Degree and Wanton Endangerment 1st Degree. A bench warrant was issued for a witness that refused to appear in court, and she was subsequently arrested. Brummer, who is still in jail, ultimately pled guilty to Arson 2nd Degree, and the Wanton Endangerment charge was dismissed. He was sentenced on 2/2/15 to 12 years in prison.

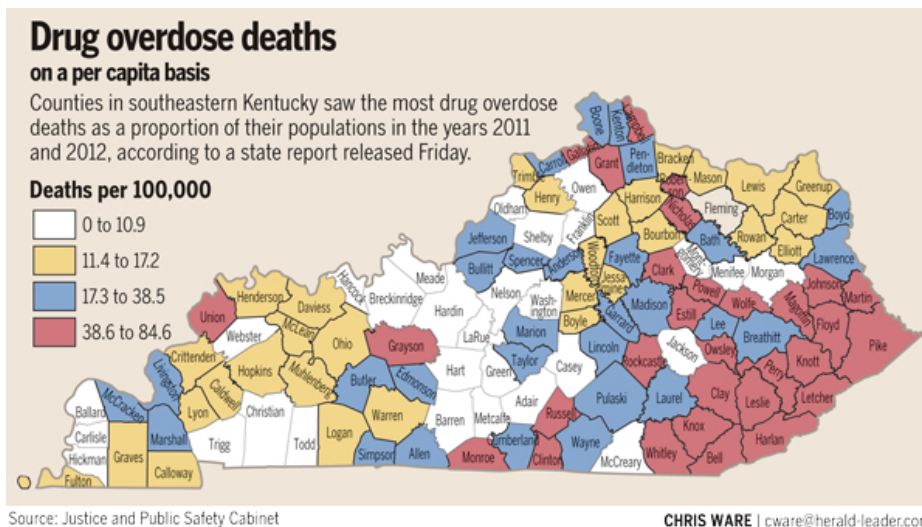

2014-7354 On 7/15/2014, Officers were dispatched to the parking lot of the Lakeview Apartments for an assault. Two victims had been assaulted by two male suspects, which had fled prior to police arrival. One victim sustained minor injuries, and the other victim sustained a fractured jaw, broken teeth, a deep laceration to his lip, and a concussion. The victims reported that they were in the parking lot near their vehicle when they were approached by the two unknown males. A few words were exchanged, and without apparent provocation, one of the victims was punched in the face and knocked to the ground. A scuffle ensued between the other victim and two of the males, which resulted in the victim receiving minor injuries when one of the males pushed her into a vehicle as he was fleeing the scene. A resident of the apartment complex advised officers that the two individuals involved were William Morgan Jr. (pictured above left), and Matthew Daly (pictured above right). Morgan and Daly were apprehended a few days later in the apartment complex. Morgan and Daly were charged with Assault 2nd Degree. Their charges were amended; Morgan pled guilty to Assault 4th degree Minor Injury, and Daly pled guilty to Harassment, physical contact with no injury.

Taylor Mill Police Department

DRUG AWARENESS

In 2014, there were an estimated 38,329 heroin overdoses that resulted in death reported in the U.S. Of those 38,329 cases, 1007 were reported in Kentucky. In 2014, almost seven people an hour died of an overdose in the United States. One of the main factors driving this problem is its availability and cost. Currently, heroin costs approximately \$400 per gram with a purity of 25%. This gram is broken down into individually sold bags which cost about \$10. Since 2012, the City of Taylor Mill has received over 55 confirmed overdoses. These overdoses have resulted in the administering of 62 units of Naloxone. Each dose of Naloxone administered by the Taylor Mill Fire Department costs the community \$39.60 each, for a grand total of \$2,455.20.

Senator Chris McDaniel, (R-Taylor Mill) introduced “Senate Bill 5” stating, “Its use and distribution has become a major issue for our citizens, our employers and our families.” The bill calls for a substantial increase of jail time for drug traffickers, and an additional 13.3 million for treatment programs. County jails would receive \$7.5 million to administer treatment programs for the inmates. Community mental health centers would get the remaining funds to treat addicts not incarcerated. In addition, “Senate Bill 5”, would absolve first responders from liability from administering Naloxone. Naloxone is a drug that immediately counteracts the affects of heroin for overdose victims.

Several medical treatment options exist for heroin addiction. These treatments can be effective when combined with a medication compliance program and behavioral therapy. Methadone, Buprenorphine and Naloxone are approved to treat dependence. These treatments work by binding fully or partially to the opiate receptors in the brain. They mimic the action of the opiate, and block/reverse the action of the drug. Administration of these drugs allows for a more gradual withdrawl from heroin.

SEX OFFENDER REGISTRY

Registry Search Disclaimer

The information contained in the sex/criminal offender registration database is primarily provided by the offender when they register with the Department of Corrections or the Division of Probation and Parole. This information is then forwarded to the Kentucky State Police for inclusion in the database. As such, the Kentucky State Police does not guarantee the accuracy of the information provided.

Also, it should be noted that offenders may have moved without notifying the Kentucky State Police or the Division of Probation and Parole of the change, even though it is a violation of the law. The database is updated on a daily basis, except for weekends and state holidays. All attempts are made to provide complete and accurate information.

Fill in one of the fields below then click the 'Search' button.

County

ZIP Code

The Taylor Mill Police Department recently upgraded the policy on registered sex offender notifications. This was done in an effort to strengthen the relationship between the residents and police, and to provide for a safer community through communication. Furthermore, it puts registered sex offenders on notice that the citizens and police department work as a team when it comes to the safety of its residents.

The new policy requires immediate notification by mail when a sex offender moves into a neighborhood. It further requires an annual notification to the neighbors of a registered sex offender. The improvements to the current policy were made to keep new residents informed, and remind current residents about the possible dangers that exist. This is accomplished by mailing the flyer (which can be printed from the KSP website) that contains a picture, address and the offense committed by the offender.

Currently, the City of Taylor Mill has only two registered sex offenders residing within the city. The website is checked on a weekly basis and alerts are sent to the police administration when new registered sex offenders move within the area of Taylor Mill.

Taylor Mill Police Department

PROPERTY AND EVIDENCE CONTROL

Taylor Mill Police Policy and CALEA Standards for law enforcement agencies mandate strict measures for the receipt, handling, security and disposition of property/evidence. In order to maintain a high degree of evidentiary integrity over agency controlled property and evidence, the following documented inspections, inventory and audits shall be completed:

- a. An inspection to determine adherence to procedures used for the control of property is conducted semi-annually by the person responsible for and evidence control function or his/her designee:
- b. An inventory of property occurs whenever the property and evidence custodian is assigned to and/or transferred from the position and is conducted jointly by the newly designated property and evidence custodian and a designee of the Chief of Police to ensure that records are correct and properly annotated:
- c. An annual audit of property and evidence held by our agency is conducted by a supervisor not routinely or directly connected with control of property and evidence;
- d. An unannounced inspection of property storage areas is conducted, as directed by the police chief, at least once a year.

All property and evidence is entered into storage in a uniform manner, where each article is labeled and recorded in our computerized "Evidence Tracker System". Moreover, extra security measures are in place when handling and receiving items that are considered to be sensitive, high in value, or otherwise constituting an increase security risk. These types of precautions are taken when handling items such as money, precious metals, jewelry, firearms, weapons, drugs, blood and other body fluids.

TMPD is committed to adhering to the aforementioned standards, as we endeavor to provide full transparency to our internal and external stakeholders, our customers. We welcome your examination of our semi-annual inspection, annual audit, and unannounced inspection reports. Our intent is for our customers to have full faith and credit in your police department's ability to properly handle/manage the property and evidence that comes into our possession. Following, are the dates when inspections and audits transpired for the year 2014.

2014 Property and Evidence Inspections

Taylor Mill Police Department

2014 Department Training

In 2014, Taylor Mill Police Officers received a combined total of 1707 hours of training. This is in addition to the combined total of over 147 years of law enforcement experience that our department currently has. The training listed below includes bi-annual 8 hours of firearms qualification that every officer receives. In order to remain current with previous and new techniques, officers are sent to a variety of classes. Below is a list by officer of the total hours of in-house training and DOCJT (Department of Criminal Justice Training) training in 2014.

<u>OFFICER</u>	<u>IN-HOUSE</u>	<u>DOCJT</u>	<u>OFFICER</u>	<u>IN-HOUSE</u>	<u>DOCJT</u>

Taylor Mill Police Department

2014 City Paid Details

The City of Taylor Mill provides many programs for our community, such as Park Fest, Friday Night Flicks, and the Easter Egg Hunt. Each of these events requires the Taylor Mill Police Department to provide public safety, security, and/or traffic control. To reduce the impact these events have upon our regular responsibilities and to provide the best customer service to our residents, these events are staffed with off-duty officers. The off-duty officers are compensated at their overtime rate and for safety concerns we require a minimum of two officers for most events.

<u>MONTH</u>	<u>DETAIL</u>	<u>OFFICERS</u>	<u>TOTAL HOURS</u>

Taylor Mill Police Department

2014 Grant Information

In an effort to reduce the ever increasing costs of law enforcement, the Taylor Mill Police Department continuously applies for available grant money through private and government foundations. In 2014, Patrolmen James Mills applied for and received over \$23,000.00 in various grants for the police department to purchase equipment and supplement our overtime budget.

Kentucky Office of Highway Safety Traffic Enforcement

Award Dates: November 2013 thru October 2014

Award Amount: \$10,500.00

Grant Specifics: This grant is used to pay officers overtime for traffic enforcement throughout the city. The grant expects a minimum of productivity while working the overtime and our officers always exceeded the minimum standards.

Kentucky Office of Highway Safety Traffic Enforcement

Award Dates: November 2014 thru October 2015

Award Amount: \$8500.00

Grant Specifics: This grant is used to pay officers overtime for traffic enforcement throughout the city. The grant expects a minimum of productivity while working the overtime and our officers always exceeded the minimum standards.

Kentucky Office of Homeland Security, Law Enforcement Protection Program

Award Date: May 2014

Award Amount: \$3,290.00

Grant Specifics: This grant was used to purchase one additional duty weapon, one additional patrol rifle, four additional shotguns and one additional Taser to replace older models and provide us with additional weapons for emergencies and during weapon repairs.

Taylor Mill Police Department

2014 Major Purchases / Equipment Report

The Taylor Mill Police Department makes major purchases throughout the year to stay current with changes in technology and/or to replace/update equipment. The police administration has always attempted to forecast the necessity for these purchases through the budgetary process and by seeking available grant money to augment initial costs.

2014

Vehicle Purchase, Maintenance & Fuel Report

The Taylor Mill Police Department has 12 staff members which is comprised of the Chief, Lieutenant, Sergeant/Detective, Sergeant, Specialist, 6 patrol officers, one of which is the School Resource Officer, and 1 Administrative Assistant. There are 13 vehicles in the fleet which includes eleven patrol vehicles, one spare cruiser and one detective car. With continuous, 24 hour patrol, these vehicles incur a lot of wear and tear. We recycle cruisers every 5 years or at approximately 100,000 miles. We purchased new software for our Fleet Maintenance program, (Vinity Soft 3.0 Edition 2.2.0.135) in 2013, which is very helpful in tracking the maintenance and keeping an approximate cost per vehicle.

<u>Officers</u>	<u>Cruiser</u>	<u>Year/Model</u>	<u>Mileage</u> (Dec. 31 st)
