Introducing the

## KNOX HomeBox

*The Residential Rapid Access System*

The KNOX HomeBox offers first responders swift and secure access when attending to elderly, chronically ill, and home-bound individuals in emergency situations. This system greatly minimizes the necessity for forced entry, thereby reducing unnecessary damage to your home.

### Key Features:

- Holds Spare House Key
- Weather-resistant
- Easy Access for First Responders

### Benefits:

- First responders gain secure access to your house key, ensuring rapid entry during emergencies.
- Reduces the likelihood of property damage caused by forced entry.
- Resealing the residence is both straightforward and swift.
- Access is exclusively granted to the fire department.
- **ONE TIME PURCHASE of \$227 with NO MONITORING FEES**

For additional details on how to order the KNOX HomeBox, please visit [www.knoxbox.com](http://www.knoxbox.com).

### Follow these steps:

- Click on the upper left corner that says “choose your local fire department agency.”
- Select “Kentucky.”
- Type in “Taylor Mill Fire Dept.”
- Click on the third option for the HomeBox.

If you require a larger box to accommodate more keys, consider the 2nd Residential Box option priced at \$384.
